QUALIFICATIONS

- » Results-oriented golf course management professional with 10 years of experience and a proven track record for providing and sustaining championship conditions on a daily basis.
- » Quality focused, innovative developer/implementer of golf course construction, maintenance, refurbishment, renovation, and restoration programs as well as integrated pest management systems.
- » Positive leadership ability providing mentorship and guidance to achieve maximum efficiency.
- » Fiscally accountable with the ability to control costs and provide excellent record keeping and budgeting.
- » Well versed in the latest technology and communication practices and mediums informing members of golf course happenings in new and innovative ways. (GoPro, DJI Drone, Twitter)
- » Expert knowledge in new turf technologies for hole locations, chem/fert compliance, equipment, labor, and pest tracking (Task Tracker, EZ Locator, TRIMS, Weevil Track, TDR Moisture Meter)
- » A personal philosophy of providing members and guests with the unique golfing experience that they expect and deserve.

CAREER HIGHLIGHTS

2018 BMW CHAMPIONSHIP - ARONIMINK GOLF CLUB

Penultimate event of the FedEx Cup Playoffs, featuring the Top 70 players in the world.

- » Lead Assistant Superintendent in charge of scheduling, coordinating, and guiding staff of over 80.
- » Provided conditions suitable to PGA Tour standards through difficult weather conditions the week of and the weeks leading to the tournament.
- » Worked closely with PGA Tour Agronomist and Rules Officials to meet Tour expectations.

2016 MASTER PLAN RESTORATION - ARONIMINK GOLF CLUB

Restored Aronimink Golf Club with Gil Hanse and Hanse Golf Course Design to Donald Ross' as-built design as per 1929 aerial photos.

- » Reclaimed 29,000 square feet of lost green space, 5 acres of fairway width, and returned teeing grounds to original free-form shape.
- » Restored 174 bunkers with Better Billy Bunker liner.
- » Worked closely with Hanse Golf Course Design and Total Turf Golf Services in making field decisions and supervising all construction and grow-in.
- » Recorded, edited and narrated aerial drone videos to communicate progress and updates to membership.
